

## Who We Are:

**Save Texas Schools** is a nonpartisan statewide volunteer coalition of parents, students, educators, business leaders, concerned citizens, community groups and faith organizations. Our goal is to educate our state's elected officials about the importance of maintaining funding for Texas public schools to the maximum degree possible, within the context of the current state budget crisis.

**Save Texas Schools** calls on our state's elected leaders to make education a top priority. Specifically, we ask them to take the following emergency measures immediately:

- Use the \$9.3 billion Texas "Rainy Day" Fund to support schools.
- Sign the paperwork for \$830 Million in federal aid for teachers.
- Fix school funding laws to be fair to all districts and to our state's growing student population.
