

To Whom It May Concern:

As a Texas voter, I want you to know that our state's public schools are extremely important to me, to my family, and to my community.

To maintain public education in our current financial crisis, I ask you to support these emergency measures immediately:

- Use the \$9.3 Billion Texas "Rainy Day" Fund to support public schools;
- Sign the paperwork for \$830 Million in federal aid for classroom teachers;
- Make sure any cuts that may be necessary are fair to all school districts.

Texas students are our future and their education is the most important public investment we can make. I hope you will agree with me by supporting these critical measures and look forward to your prompt response.

Sincerely,
